4-H Dress Revue Judging Set July 26

The Jones County 4-H Club girls who will be entering the 4-H County Wide Dress Revue on Tuesday, July 27, will have their garments judged on Monday morning, July 26, at 10:00 in the office of Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent.

Mrs. Agnes Marrs, Kent County Home Demonstration Agent will be the judge. The younger girls just beginning sewing may enter a sewing box or an apron if they wish. They too, will be at the Home Demonstration Agent's office at the same time on Monday.

The garments will be judged for construction on Monday afternoon.

The Dress Revue that is to be held on Tuesday, July 27, at 2:30 will be in the Anson First Baptist Church Fellowship Hall.

There will be a 9, 10, and 11 year old group, a 12 and 13 year old group for the Junior girls and a Senior group for the 14 year old and older. Their will be entry prizes for all entering. The senior girls will turn in records.

The Senior winners will enter the District III Dress Revue at Vernon on Friday, August 6th on competition basis with the other counties of District III. The 13 year old will model her garment along with the other county winners.

Those teams participating in this tournament are Rotan, Haskell, Knox City, Clyde, Tye, Abilene Oilers and the Hamlin Merchants.

The winners of this tournament will go to Lubbock for the State play off.

By dailing SP 4-1668 anyone may receive a recorded message designed for meditation, and inspiration. New recordings are made regularly, usually each day, by the pastor. The response has been of comparatively great volume since the installation last week. First announcement of the service was made to the congregation at the Sunday morning worship hour by the pastor, Rev. Bryant. He told those in attendance of the new facility, and explained that it was made possible by a family of the church membership who asked for the privilege of contributing the cost of installation and operation. The public is welcome to participate in this service.

An additional service involving telephone service in the relay of regular services of the church to the Holiday Lodge by wire and amplification for residents there who desire it.

There will be a called meeting of the Woman's Literary Club Friday at 9:30 a. m. in the home of the president, Mrs. A. A. Hackley.

All members are urged to be present for this important meeting.

School Consolidation Explained by Cook

(Editor Note)

In order for patrons in the Hamlin and McCaulley school districts to better understand the proposal of consolidation of the two districts, Supt. C. F. Cook, of the Hamlin system has presented the following information:

The consolidation of the Hamlin and McCaulley schools will be held on August 7, 1965 in each community. This election is for the people in each community to determine whether they desire to consolidate their schools. Any qualified voter can vote in this election. In order for this consolidation to be completed it is necessary for a majority of qualified voters in each of the two communities to vote in favor of the consolidation. If either school fails to vote a majority for consolidation, the consolidation will not be considered.

In consolidating schools, it is the responsibility of each community to express whether they desire to become a part of the proposed consolidation. This is a necessity in order for the new proposed school to be

successful, and have the co-operation desired in order to have the best school possible.

The voters of each district must indicate their desires by voting, whether for or against. This is a privilege set forth by our constitution of the United States of America. The majority should rule in a proposition like this, and only a good voter turn out can assure a correct opinion.

When this election is over and the voters have expressed themselves, the result must be accepted.

The Hamlin community was requested to present a petition to the County Judge for this election by patrons of the McCaulley community. This was done because the Hamlin school and community would be most happy for our community to be combined for school purposes. Since the selection has been ordered, the school board of the Hamlin school has expressed themselves favorably to the proposed consolidation. They know there will be problems as well as benefits.

There is an "Incentive Aid" from the State to encourage consolidation. The State will pay the difference in the cost of operation of the school separate and what the cost will be after the schools are consolidated. This was estimated to be about \$25,000 a year. The incentive aid will be paid for ten years. This can only be used to retire bonded indebtedness and to build new buildings.

As to tax raises in the Hamlin Independent District, this consolidation will not directly cause any tax raise. Tax raises are caused by loss of valuations, raise in the state program, etc. The tax rate has already been set in both districts, as well as the valuations. Both schools have already had the equalization board meetings and set values.

In case of this consolidation, if it carries, valuations will be adjusted in both school districts on equal assessments after 1965-66 school year, as valuation and rates have already been set. This is the law, that all property must be assessed on equal values.

If the consolidation carries, there will be an election in the new district for the assumption of indebtedness and levy of tax rate. This is necessary in order to bring all funds under one management as well as a bank depository for school funds. Qualified tax paying property owners will be the only ones to vote on the assumption election.

If anyone in the Hamlin school district or the McCaulley school district desires any information in regard to this proposal, the board of the Hamlin school will be happy to discuss the matter with you.

Weekend visitors in the home of Mr. and Mrs. Raleigh Reynolds were Mr. and Mrs. Larry A. Reynolds and two sons of McCamey and Mr. and Mrs. Joe A. Dean and two girls of Iraan.

PEP SQUAD MAJORETTES — Pep Squad majorettes who will be attending twirling school on the campus of Southern Methodist University, Dallas, are left to right, Sandra Fudge, Pat Pope (head majorette), and Linda Goodwin. The girls have been working on routines regularly this summer.

Cong. Graham Purcell to Speak At Rolling Plains Meeting Friday

Congressman Graham Purcell (D-Texas) announced today that he will address a meeting of the Rolling Plains Cotton Growers, Inc., on Friday afternoon in Stamford, Texas.

Mr. Terry Julian, Executive Director of the organization, said the meeting would be held at 2:00 p. m. in the Stamford High School auditorium. Julian said, "We sincerely urge all our members to attend, and we will welcome any others who are farmers or involved in agriculture related industries to hear this late report on farm legislation in Washington."

Purcell, who is chairman of the wheat subcommittee of the House Committee on Agriculture, said he would discuss the omnibus farm bill which was approved by the House Committee on Agriculture last week. The bill contains program extensions for cotton, wheat, feed grains, dairy products, and wool, in addition to a new proposed Cropland Adjustment Program.

The Congressman said he believes the proposed legislation is vital to Texas, and that he believes Texas farmers and rural residents need to be aware of the content of the legislation, and aware of the possible consequences if it fails to pass the Congress this year.

"The cotton program proposed in this bill," said Purcell, "involves some new concepts for this important commodity, and cotton producers should learn all they can about it in order to express themselves properly. The programs proposed are four-year programs, and they will be with us for some time to come. I hope those Texans interested in agriculture will take advantage of every opportunity to become more familiar with the legislation."

Announcement was made that the State Farmers Union Convention would be held in Abilene November 4-6th, 1965.

Representing the Jones County Farmers Union were: Hollis Madden, F. A. Lollar, M. T. Sprayberry, and Mr. and Mrs. C. A. Baucum.

Rev. and Mrs. Jerry McDaniel and Shari have returned after two weeks in Santa Barbara, Calif. They visited her sister, Margie Vest who was ill. While there Rev. McDaniel, pastor of Calvary Baptist Church here, spoke at the Wednesday evening service in Land Mark Baptist Church in Palmdale.

Farmers Union Workshop Set In Abilene Saturday

A Workshop for Farmers Union representatives in this district was conducted at the Sands Motel in Abilene Saturday, July 17th.

The Workshop program included "Setting the Stage for 1966", "Services and Organization", "Discussion of the Pending Cotton Legislation", followed by a Social hour and refreshments.

AUSTIN. — The state draft quota for August calls for 891 men, compared to 908 for July, Colonel Morris S. Schwartz, state Selective Service director, said Tuesday.

The state quota of 891 for August is the Texas share of a national call for 16,500 men, all for the Army.

The state Selective Service director also announced pre-draft physical and mental examinations for around 5,000 men in August.

Local board quotas for the August call already have been figured and sent to the state's 137 local boards.

JEHOVAH'S WITNESSES

Final plans have been concluded by the Haskell Congregation of Jehovah's Witnesses who are leaving this week to attend their four-day regional convention at Lubbock.

According to W. Clayton Short, presiding minister for the congregation, the "Word of Truth" District Assembly at Lubbock is expected to draw some 6,000 delegates from parts of Texas and 18 other states as well as Canada.

tion prayed for a consolidation of districts hereinafter mentioned and the issuance of an order for an election for that purpose.

I find that the petition was signed by fifty-two (52) legally qualified voters of Hamlin Independent County Line School District.

I further find that Hamlin Independent County Line School District is situated partially within Jones County, partially in Fisher County, and partially in Stonewall County, that the principal portion of this district is located in Jones County and that Jones County has jurisdiction over the principal schools of Hamlin Independent County Line School District.

I further find that this petition is in compliance with Article 2806 of the Revised Civil Statutes of Texas, and with the law, and should be granted herein.

I have been advised that a petition for election on the same proposition has been presented to the County Judge of Fisher County on behalf of McCaulley Independent County Line School District, and that the judge is issuing an order for such election to be held on the 7th day of August, A. D. 1965.

IT IS THEREFORE ORDERED

I.
That an election shall be held in Hamlin Independent County Line School District on the 7th day of August, A. D. 1965, at which there shall be submitted to the legally qualified voters of such district the following proposition:

"Shall the Hamlin Independent County Line School in Jones, Fisher and Stonewall Counties, Texas, and the McCaulley Independent County Line School District in Fisher and Jones County, Texas, be consolidated for school purposes and be known as Hamlin Independent County Line School District?"

II.
The place for holding the election for Hamlin Independent County Line School District shall be the high school, the following officers are hereby appointed to hold the election in the Hamlin Independent County Line School District: Frances Rowland, presiding judge; Gertrude League, Assistant judge; and Frankie Cassle, Clerk.

III.
All legally qualified voters of such district may vote in said district.

The form of the ballots for said election shall be as follows:

"OFFICIAL BALLOT"

FOR CONSOLIDATION OF HAMLIN INDEPENDENT COUNTY LINE SCHOOL DISTRICT IN JONES, FISHER AND STONEWALL COUNTIES, TEXAS, AND THE McCAULLEY INDEPENDENT COUNTY LINE SCHOOL DISTRICT IN FISHER AND JONES COUNTIES, TEXAS.

AGAINST CONSOLIDATION OF HAMLIN INDEPENDENT COUNTY LINE SCHOOL DISTRICT IN JONES, FISHER AND STONEWALL COUNTIES, TEXAS, AND THE McCAULLEY INDEPENDENT COUNTY LINE SCHOOL DISTRICT IN FISHER AND JONES COUNTIES, TEXAS.

Each voter shall draw a line through one of the above expressions, thus leaving the other to indicate his vote.

IV.
Notice of said election shall be given by advertising this notice in the Hamlin Herald, a newspaper in Hamlin, Jones County, Texas, for a period of twenty (20) days prior to the said election and by posting a copy of this notice in three (3) public places in this district.

ISSUED this 5th day of July, A. D. 1965.

MR. AND MRS. J. G. PLUTO
honored on 65th wedding anniversary

Former Residents, J. G. Plutos, Honored on Wedding Anniversary

Mr. and Mrs. J. G. Pluto, residents of Hamlin from 1907 to 1927, were honored on their 65th wedding anniversary June 16 in San Antonio. The couple's two children, Mrs. Leon Howell and Mrs. D. Clinton Walker, both of San Antonio, assisted in the celebration.

The open house was held at the couple's home at 427 Steves Ave.

In a column, "Around the Plaza" by Renwick Cary of the San Antonio Light, the writer points out many interesting items about Mr. and Mrs. Pluto.

Mr. Pluto was 87 years old last March and Mrs. Pluto will be 87 in August. They will not hear to the thought of having anyone help with the housework or yard.

Mrs. Pluto enjoys cooking and takes great pride in keeping a sparkling house and Mr. Pluto takes pride in keeping a neat yard.

The couple met when both were 17 in Marlin, Falls County. She was the former Minnie Fairley. They were married five years later in Marlin's Catholic Church.

They moved to Hamlin in 1907 and he opened a variety store. Later he became the operator of what probably was one of the first chains of movie houses in Texas. He had three movies, one in Hamlin, and the other in the general area.

Pluto owned one of the town's first Fords and, having gotten his early introduction to the horseless carriage, he saw the auto's future and

Rebekah Class Meets in Duncan Home July 13

Members of the Rebekah Sunday School Class of the First Baptist Church met in the home of the teacher, Mrs. Edgar Duncan, July 13 for a class meeting.

The program was presented by Mrs. Byron Bryant who gave a word picture of the trip she and her husband, Rev. Bryant, took recently to the Baptist World Congress in Miami Beach, Fla. She expressed her appreciation to the people of the First Baptist Church for making the trip possible.

Mrs. LaFoy Patterson gave the opening prayer. The meeting was dismissed with prayer by Mrs. Albert Haught.

A sandwich plate was served by the hostess. Others present were Misses, D. A. Brown, N. L. Brandon, Fred Allen and L. E. Hines.

Method of Freezing Potatoes Given By County Agent

It is the time of the year when homemakers are interested in freezing Irish potatoes says Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent. The USDA has not released the information but the Food Specialist of College Station feel it is satisfactory by following this procedure:

Preparation of New Potatoes For Freezing

Select potatoes the size of walnuts. Scrub well in cold water to remove skins, or wash and scrape. Pre-heat in boiling water; 5-8 minutes, depending on size. Cool in cold running water 5-8 minutes. Pack dry without water.

Preparation Of French Fried Potatoes For Freezing

Use mature potatoes suitable for french frying. Wash, peel and cut into sticks, 1-4 inch square. Pre-heat sticks in boiling water for 2 minutes. Cool in cold running water 3 minutes. Pack dry, without water.

became a dealer.

The Plutos moved to San Antonio about 35 years ago and until his retirement at the age of 70, he did some contracting, oftentimes working on the job.

Mr. and Mrs. Pluto have three grandchildren and four great-grandchildren.

NEW FRONTIERS

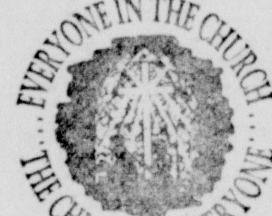

We are preparing a completely new way of life for our children. Every day we hear talk of rockets and missiles. This is truly the space age. However, history has taught us that man's need for God is ever present, and new frontiers have never changed this.

TAKE YOUR FAMILY TO CHURCH

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

FAIRVIEW NEWS

by Mrs. Elmer Joiner

A two inch rain fell in a small area last Thursday afternoon, only reaching a few miles each way. From here it looked as if the whole country was getting a general rain, it just came in sheets, but getting out afterwards to see how much it rained, we found that at the Plainview store it only came a light sprinkle. It seems that it only lasted a few miles each way, so the men were speculating Sunday if it had rained on the just or merely on the unjust.

The Revival begins today, Monday, at the Fairview church, with Rev. Bill Irwin, pastor of Central Avenue Church in Hamlin, and the singing led by Ronnie Lee, also of that church.

Prayer services were held last Friday night, for the success of the revival, with Rev. Irwin and Ronnie present. A fair crowd was in attendance.

The regular Wednesday night services were also held, so we almost had weekly services last week. We do hope that our friends will all come and meet with us in revival services through this coming Sunday.

The church was privileged to go to the Holiday Lodge Sunday afternoon, for the Sunday afternoon services. Those that do not attend miss some thing for the residents at that place are so appreciative, and it makes you feel as if your time was spent for a good purpose.

We see by the Abilene paper that Wayne Whitaker, son of Mr. and Mrs. David (Sport) Whitaker, now of Snyder, but formerly of Seagraves, where they moved from our community, was married Saturday, July 10th, in Stamford Orient Church of Christ to Katrina Joy Sosebee, of Stamford. They will live in Houston, where he is employed.

Tuesday night visitors of Mr. and Mrs. Woodrow Goodwin and Linda, were Mr. and Mrs. Weston Goodwin, their daughter, Mr. and Mrs. West Upshaw and two daughters, all of Los Angeles, California. The Goodwin men are brothers. Tuesday afternoon late, another brother, Mr. and Mrs. Floyd Goodwin, who live southeast of Anson, also visited with them.

It was good to see the Drake family able to be in church Sunday night. It was the first time they have been out since they had so much illness, last spring.

Mrs. Woodrow Goodwin and Mrs. Elmer Joiner went to

Anson, last Friday afternoon, where they visited with Mrs. Dutton in the Anson Hospital, then with their Aunt Lottie Treadwell. Our uncle Tee passed away two weeks ago and she is living in the family home in Anson, accepting it all as "Aunt Lottie" can. Mrs. Dutton was very despondent, when we saw her, and that didn't sound like Mrs. Dutton, but she was in much pain from her back, and pain can make you that way, especially when you have lived a long, full life like she has. All of us at Fairview still love her, she has been an inspiration to so many of us for years.

Saturday night and Sunday visitors of the Flavil Holmes were her sister, Mr. and Mrs. R. O. Clements, from Pampa. Sunday afternoon visitors were Mr. and Mrs. Larry Holmes, Anson.

The latest report on Mr. Holmes's mother is that she is doing as well as can be expected. She did not have a bad stroke, but owing to her age, it was serious.

Mr. and Mrs. Marvin Johnson, Amarillo, came down over the weekend to bring the little sons, Bruce and Barry, to spend two weeks with their grandparents, the Winslow Grays and M. S. Johnson. The little boys were in church with the Grays Sunday night.

Mrs. Mary E. Tanner and Larry, spent Saturday with the Leveretts, in fact it seemed to be the girls they had come to see, for grandmother had been gone a week, to Glorietta, and that is a long way from Kimmy and Kristy.

Mrs. Henry went over to Aspermont, Wednesday afternoon, to see her sister, Mrs. Lois Stuart.

Linda Goodwin attended the First Methodist Church, Sunday morning, where she played for her friend Jeannie Young, to sing a special.

Linda had that coveted birthday, Saturday, that all girls look forward to, which was her sixteenth.

WHICH CORN HAD THE KILOWATTS?

No... the small stalk was not electrocuted. The big stalk was irrigated with water pumped with power from the Midwest Electric Cooperative. Whether it is for washing dishes, watering stock, filling the bathtub or irrigating corn, running water is one the great blessings of rural electricity. By bringing city conveniences to the rural scene... by offering a dependable, economical electric service... the Midwest Electric Cooperative both in industry and agriculture is helping Texas grow.

Nosey Neighbor...

by Barbara Craig

We are grateful to a friend of Mr. and Mrs. J. G. Pluto in San Antonio for the information she sent to us concerning their couple's 65th wedding anniversary celebrated in June.

Mr. and Mrs. Pluto, former Hamlin residents, who both have 87th birthdays this year, are quite active as the story in this issue indicates.

They have been subscribers to the Hamlin Herald for many years, the friend's letter shows. Could it be that they might have a longer record of being a continuous subscriber than Bob Barrow? Mr. Barrow says he has been on the subscriber's list for 42 years. We will take his word for it as our records do not go back that far and we know his word is good. Could anyone else beat this record? We would like to know.

After two weeks of preparation, making items necessary for several days of camping, we are ready to leave, we hope, this afternoon (Tuesday) for Brownwood State Park.

With the cooperation of advertisers, correspondents and others, we were able to print a little early this week and close for vacation. We appreciate the considerations shown by everyone.

The Herald office will be open Monday, July 26.

INTERGRATION PLAN FOR THE HAMLIN INDEPENDENT SCHOOL DISTRICT FOR 1965-66

PUBLIC NOTICE

The Board of Education of the Hamlin Independent School District adopted the following policies:

"By unanimous vote, the Board of Education of the Hamlin Independent School District voted to integrate all high school grades (9-12), being served by only one high school for the 1965-66 school year; also, to maintain the elementary schools as now exists (1-8) on a freedom of choice plan. This means that any child in the Hamlin Independent School District in grades one through eight may attend any school in the Hamlin school district of his choice."

Due to the above policy, a letter with a registration form grades 1-8, will be mailed you for each of your children, and we are requesting you to fill out indicating your choice of school. Also, enclosed is a self addressed envelope to the superintendent of schools, to be used for returning your forms. This form must be returned by August 15, 1965. The high school students have already registered for the 1965-66 school year.

After we receive the registration forms of choice of schools by the students, there will be registration for the 6, 7, and 8th grades on August 25, 26, and 27, 1965 at the school they choose to attend, beginning at 9:00 a. m. each day.

This choice is granted to you for your child.

Any pupil who does not make a choice of the school he desires to attend, will be enrolled in the school nearest his residence where space is available, without regard to race, color or national origin.

No teacher, principal or other official is permitted to advise you or make any recommendations or otherwise influence your decision. No child will be favored or penalized because of the choice made.

Pupil placement, in case of over-crowded results, at any school from the choice made, preference will be given those pupils choosing the school who lives closest to school, without regard to race, color, or national origin or prior attendance at the school.

There will be no discrimination based on race, color, or national origin in any school connected services, facilities, activities or programs. Our transportation for the 1965-66 school year will be integrated.

The integrated plan described above is only for one year 1965-66. New plans must be submitted each year, hence.

Bill Harbert, President of School Board Hamlin Independent School.

PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

INDUSTRIAL FOUNDATION

PLANS FOR ECONOMIC DEVELOPMENT

The Industrial Foundation, another tool for economic development

As a tool for economic development, the industrial foundation is a community-wide financial organization with the principal objective of creating additional payrolls.

Today, it is considered essential for the community that is working to increase and broaden its economic base through diversified industrial growth to have an active industrial foundation. Varying widely from community to community, its basic functions are —

- Development of industrial sites
- Construction of plants for lease or sale
- Cooperating with other financial institutions
- Furnishing management counseling
- Assisting personnel training

As a PATTERN FOR PROGRESS, the industrial foundation works with existing industries as well as prospective new industries.

WTU's area development representatives have information about the establishment of industrial foundations. These facts are available to growth-conscious communities on request through your local WTU manager.

MRS. WARREN REYNOLDS
... formerly Diantha Tankersley

Tankersley, Reynolds Married

Diantha Gwyn Tankersley and Carrol Warren Reynolds were married Friday evening in the Rotan Church of the Nazarene.

The double ring service was read by the Rev. William A. Morris, with Mrs. Morris as pianist and soloist.

Parents of the couple are Mr. and Mrs. Cecil Tankersley and Mr. and Mrs. Raleigh Reynolds of Hamlin.

Ushers were Rodney Tankersley, brother of the bride, and Stanley Smith of Hamlin.

Given in marriage by her father, the bride wore a peau de soie gown with alencon lace at portrait neckline and covering bodice. The chapel train fell from a flat bow at the back of the bell skirt.

Her veil of illusion was caught to a crown of seed pearls. She carried white orchids and pink roses on a Bible.

Vickie Tankersley, sister of the bride, was maid-of-honor. Bridesmaids were Connie White and Brenda McKennon of San Angelo.

Attendants' bell-skirted gowns were of pink brocade, their headresses flat bows of matching fabric. They carried white carnations.

Best man was Steve Reynolds of Hamlin, brother of the bridegroom. Another brother, Larry Reynolds of McCamey, and Raley Smith of Lubbock were groomsmen.

Reception was at the home of the bride's parents.

The couple will live near Hamlin where the bridegroom is engaged in farming.

The bride is a 1965 graduate of Rotan High School.

The bridegroom was graduated from Hamlin High School.

Rehearsal dinner was hosted by the bridegroom's parents at Clark's Corral Cafe.

Distemper is commonly considered a form of influenza.

New Flower for '65

Ask Mary, Mary, quite contrary, how her garden grows today, and she's likely to answer, "With Camelot and Connecticut Yankee, Yellow Zenith and Mister Lincoln."

These were some of the All-America flower selections for 1965, according to the 1965 World Book Year Book, which also notes the introduction last year of a new variety of chrysanthemum called Red Chief and a new petunia named Starfire.

Camelot and Mister Lincoln marked a special milestone — the 25th anniversary of the All-America rose selections (Yellow Zenith is a zinnia, while Connecticut Yankee is a delphinium).

Rusted Bait Jar Lids

Those briny preservatives in pork rind jars have a tendency to rust the jar tops so badly that efforts to unscrew the lids often are unsuccessful.

When faced with such a job, especially when the hands are wet, wrap your rubber boot strap around the lid for a good, firm grip... then twitch. The lid will loosen.

Help on Keeping Egg Shells Thick Offered by Agent

Hot weather always brings many problems for the egg producer. A condition that often causes eggmen concern is thin or weak egg shells, advises County Agent, Kirby Clayton.

Shell texture becomes weaker as the hen's laying year progresses. Thus, as the flock ages it will produce a larger and larger percent of poor quality shells, he explains.

Also, the amount of calcium that the bird takes into her body has a definite bearing on the quality of shell she produces. Since the warm weather reduces the amount of feed taken by the bird, the calcium content of the ration should be increased.

April through September the laying ration should contain 3.00 to 3.25 percent calcium. All calcium should be given to birds in the laying feed. Layers which are given free choices calcium supplements, such as oyster shell and ground limestone, will often over-eat on this supplemental calcium, thereby reducing their intake of essential nutrients and egg production.

Andy McComack left for basic training at Fort Polk, La. last week. He is the son of Mr. and Mrs. A. T. McComack.

July 25-31 Sighted as National Farm Safety Week; Toll Is Heavy

Whether you live on a farm or not, National Farm Safety Week, July 25-31, should serve as a reminder to you to promote safety in your home community and on the highways.

Accidents in the home and 4-H Dress Revue Judging Set July 26

The Jones County 4-H Club girls who will be entering the 4-H County Wide Dress Revue on Tuesday, July 27, will have their garments judged on Monday morning, July 26, at 10:00 in the office of Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent.

Mrs. Agnes Marrs, Kent County Home Demonstration Agent will be the judge. The younger girls just beginning sewing may enter a sewing box or an apron if they wish. They too, will be at the Home Demonstration Agent's office at the same time on Monday.

The garments will be judged for construction on Monday afternoon.

The Dress Revue that is to be held on Tuesday, July 27, at 2:30 will be in the Anson First Baptist Church Fellowship Hall.

There will be a 9, 10, and 11 year old group, a 12 and 13 year old group for the Junior girls and a Senior group for the 14 year old and older. Their will be entry prizes for all entering. The senior girls will turn in records.

The Senior winners will enter the District III Dress Revue at Vernon on Friday, August 6th on competition basis with the other counties of District III. The 13 year old will model her garment along with the other county winners.

on the farm take a terrific toll each year, says the Texas Farm and Ranch Safety Council and most could be prevented. They cite a breakdown of the latest figures as evidence of the terrific toll. Last year, nationally, over 8,000 farm residents died from accidents and nearly 800,000 were injured. The cost of these accidents has been placed at \$1.5 billion.

President Johnson in proclaiming the special week said, "This tragic and needless waste of human and economic resources is detrimental to the well-being of the Nation. I therefore view farm safety as a matter of vital concern."

"I urge all farm families, and all people and organizations allied with agriculture, to engage in a united effort to reduce accidents at work, in homes, at recreation, and on our Nation's highways and roads."

Co-sponsors of the 22nd annual National Farm Safety Week are the National Safety Council and the U. S. Department of Agriculture. Special emphasis is being given this year to preventing accidents involving slow-moving vehicles, chemicals, electricity and in recreation.

Accidents can be prevented believes the Texas Council. It emphasizes that no benefits occur from accidents, but that a benefit when good accident prevention programs are established to attack the problem.

Non-farm individuals and related organizations are encouraged, by the Council, to participate in this special emphasis week promotion for the prevention of accidents everywhere. Adopt safety practices in your work, recreation and every-day living and encourage others to do the same, advises the Council.

School Consolidation Explained by Cook

(Editor Note)

In order for patrons in the Hamlin and McCaulley school districts to better understand the proposal of consolidation of the two districts, Supt. C. F. Cook, of the Hamlin system has presented the following information:

The consolidation of the Hamlin and McCaulley schools will be held on August 7, 1965 in each community. This election is for the people in each community to determine whether they desire to consolidate their schools. Any qualified voter can vote in this election. In order for this consolidation to be completed it is necessary for a majority of qualified voters in each of the two communities to vote in favor of the consolidation. If either school fails to vote a majority for consolidation, the consolidation will not be considered. In consolidating schools, it is the responsibility of each community to express whether they desire to become a part of the proposed consolidation. This is a necessity in order for the new proposed school to be

successful, and have the cooperation desired in order to have the best school possible.

The voters of each district must indicate their desires by voting, whether for or against. This is a privilege set forth by our constitution of the United States of America. The majority should rule in a proposition like this, and only a good voter turn out can assure a correct opinion.

When this election is over and the voters have expressed themselves, the result must be accepted.

The Hamlin community was requested to present a petition to the County Judge for this election by patrons of the McCaulley community. This was done because the Hamlin school and community would be most happy for our community to be combined for school purposes. Since the selection has been ordered, the school board of the Hamlin school has expressed themselves favorable to the proposed consolidation. They know there will be problems as well as benefits.

"There is an 'Incentive Aid' from the State to encourage consolidation. The State will pay the difference in the cost of operation of the school separate and what the cost will be after the schools are consolidated. This was estimated to be about \$25,000 a year. The incentive aid will be paid for ten years. This can only be used to retire bonded indebtedness and to build new buildings.

As to tax raises in the Hamlin Independent District, this consolidation will not directly cause any tax raise. Tax raises are caused by loss of valuations, raise in the state program, etc. The tax rate has already been set in both districts, as well as the valuations. Both schools have already had the equalization board meetings and set values.

In case of this consolidation, if it carries, valuations will be adjusted in both school districts on equal assessments after 1965-66 school year, as valuation and rates have already been set. This is the law, that all property must be assessed on equal values.

If the consolidation carries, there will be an election in the new district for the assumption of indebtedness and levy of tax rate. This is necessary in order to bring all funds under one management as well as a bank depository for school funds. Qualified tax paying property owners will be the only ones to vote on the assumption election.

If anyone in the Hamlin school district or the McCaulley school district desires any information in regard to this proposal, the board of the Hamlin school will be happy to discuss the matter with you.

Weekend visitors in the home of Mr. and Mrs. Raleigh Reynolds were Mr. and Mrs. Larry A. Reynolds and two sons of McCamey and Mr. and Mrs. Joe A. Dean and two girls of Iraan.

PEP SQUAD MAJORETTES — Pep Squad majorettes who will be attending twirling school on the campus of Southern Methodist University, Dallas, are left to right, Sandra Fudge, Pat Pope (head majorette), and Linda Goodwin. The girls have been working on routines regularly this summer.

Hamlin Band To Play at State Fair Music Day

The Hamlin High School band has been chosen to represent this region at the TMEA Music Day during the State Fair of Texas in October.

There will be a concert in the pavilion during the afternoon.

The Hamlin band will be one of the 17 Texas bands to participate in the pageant in the Cotton Bowl.

Cong. Graham Purcell to Speak At Rolling Plains Meeting Friday

Congressman Graham Purcell (D-Texas) announced today that he will address a meeting of the Rolling Plains Cotton Growers, Inc., on Friday afternoon in Stamford, Texas.

Mr. Terry Julian, Executive Director, of the organization, said the meeting would be held at 2:00 p. m. in the Stamford High School auditorium. Julian said, "We sincerely urge all our members to attend, and we will welcome any others who are farmers or involved in agriculture related industries to hear this late report on farm legislation in Washington."

Purcell, who is chairman of the wheat subcommittee of the House Committee on Agriculture, said he would discuss the omnibus farm bill which was approved by the House Committee on Agriculture last week. The bill contains program extensions for cotton, wheat, feed grains, dairy products, and wool, in addition to a new proposed Cropland Adjustment Program.

The Congressman said he believes the proposed legislation is vital to Texas, and that he believes Texas farmers and rural residents need to be aware of the content of the legislation, and aware of the possible consequences if it fails to pass the Congress this year.

"The cotton program proposed in this bill," said Purcell, "involves some new concepts for this important commodity, and cotton producers should learn all they can about it in order to express themselves properly. The programs proposed are four-year programs, and they will be with us for some time to come. I hope those Texans interested in agriculture will take advantage of every opportunity to become more familiar with the legislation."

Farmers Union Workshop Set In Abilene Saturday

A Workshop for Farmers Union representatives in this district was conducted at the Sands Motel in Abilene Saturday, July 17th.

The Workshop program included "Setting the Stage for 1966", "Services and Organization", "Discussion of the Pending Cotton Legislation", followed by a Social hour and refreshments.

Announcement was made that the State Farmers Union Convention would be held in Abilene November 4-6th, 1965. Representing the Jones County Farmers Union were: Hollis Madsen, F. A. Lollar, M. T. Sprayberry, and Mr. and Mrs. C. A. Baucum.

Rev. and Mrs. Jerry McDaniel and Shari have returned after two weeks in Santa Barbara, Calif. They visited her sister, Margie Vest who was ill. While there Rev. McDaniel, pastor of Calvary Baptist Church here, spoke at the Wednesday evening service in Land Mark Baptist Church in Palmdale.

AUSTIN. — The state draft quota for August calls for 891 men, compared to 908 for July, Colonel Morris S. Schwartz, state Selective Service director, said Tuesday.

The state quota of 891 for August is the Texas share of a national call for 16,500 men, all for the Army.

The state Selective Service director also announced pre-draft physical and mental examinations for around 5,000 men in August.

Local board quotas for the August call already have been figured and sent to the state's 137 local boards.

JEHOVAH'S WITNESSES

Final plans have been concluded by the Haskell Congregation of Jehovah's Witnesses who are leaving this week to attend their four-day regional convention at Lubbock.

According to W. Clayton Short, presiding minister for the congregation, the "Word of Truth" District Assembly at Lubbock is expected to draw some 6,000 delegates from parts of Texas and 18 other states as well as Canada.

4-H Club Meets
The Old Glory Community Junior 4-H Club met last Tuesday morning for a Record Book Workshop. Judy White, a junior leader, instructed the group. Thirteen members were present and also two adults leaders and county agent Truett Hennig.

Mr. and Mrs. J. C. Gholson and Linda were in Odessa last weekend. They were accompanied by Mrs. Katie Gerloff. Mrs. Gerloff visited her son Jackie and his wife while she was there.

Roy Weinke of Lubbock

brought his father, W. G. Weinke, home for a visit last weekend. Mr. Weinke is a patient in a rest home in Lubbock.

Francell Boles visited friends in Seymour last weekend.

Judy Sander accompanied her sister Carolyn back to Abilene last Monday. She is spending this week there with her.

Judy White is in Abilene this week visiting Donna Pierce and Linda Newman who are students at Hardin-Simmons. She is also visiting the V. R. Leveretts and Mr. and Mrs. Jack Powers.

Cecil Klump attended the Bryan Field G. I. Reunion in Slaton last Sunday. He was accompanied by John Metcalf of Aspermont.

Merrilyn Flow has enrolled as a student in Commercial Business College in Abilene.

Mrs. Ed Letz and Reva spent last Thursday in Sweetwater.

Stephanie Letz recently spent a weekend in Eastland visiting in the home of Dr. and Mrs. M. A. Treadwell and children, Terry, Marsha and Randall.

Stephanie Letz, daughter of Mr. and Mrs. Ed Letz of Old Glory, is winding up another successful summer in Tennis competition throughout the state as she competes in the Optimist Tournament in Abilene this week.

On July 8-10, Stephanie played in the State Jaycee Tennis Tournament in Bryan. There she and Marsha Treadwell of Eastland placed second in the 16 and under doubles action.

In the Sweetwater Open, next to the last tournament on the Highway 80 Circuit which climaxed Saturday, Stephanie defeated Marsha Treadwell in the finals of the 16 and under action. The two then teamed to win first in the doubles over Karen Wheeler and Royce Ann Marshal of Baytown. Also competing in the 18 and under doubles division, they won second place trophies. They lost in the finals to Mary Ann Richardson of San Angelo and Patty Roberson of Beaumont.

Dangerous Substances Found In Homes

Shoe polish, oven cleaner, hair-waving lotion wax. They don't sound harmful.

But these items plus kerosene, toilet cleaner, medicine, turpentine, lighter fluid, deodorant, dry-cleaning fluid and plant spray may be potential dangers in your home, advises County Agent Kirby Clayton.

Why? Because each product contains some hazardous substance that could cause illness or death if taken internally.

Of course, it would be inconvenient, if not impossible, to stop using these items in the home. But you can do the next best thing - protect the family, particularly the young children, from accidental contact with these products.

Know what you are buying. Examine the labels - read the small print. Look for these words:

"Caution" or "warning" - indicates that the material is a hazardous substance.

"Danger" - refers to substances that are highly toxic, extremely flammable or corrosive.

"Poison" - refers to products defined as highly toxic.

Some of the labels will carry the skull and crossbones of a legally recognized poison. Or there may be the statement "Keep out reach of children."

Labels give an indication of the principal hazard in such words as "flammable," "vapor harmful," "causes burns," "absorbed through the skin."

Turning Over A Leader
When a leader won't turn over smoothly at the end of a cast, it probably needs more body and stiffness in the upper end.

Instead of reducing the diameter uniformly, taper the upper two thirds gradually, then use shorter pieces of fine monofilament down to the tip.

Mark Good Fishing Spots
If you fish a lake often enough you get to know the most likely spots where lunkers lurk.

Considerable interest is being shown for Hamlin to have street lights.

The M K T railroad has reduced their fares. You pay only \$52.85 to go to Detroit.

Joey Duncan spent last week with his grandmother, Mrs. E. W. Moore, in Santa Anna.

Johnson, Joe Hymer, Robert Angel, Joe League, Guy Weaver and Robert Bonner have returned from the Scout Jamboree in Valley Forge, Penn.

Mrs. Lydia Miller left for Seymour to visit her sister, Mrs. Laney and other relatives.

Round steak 29 cents, coffee 2 pounds 25 cents and cigarettes 2 pkg. 35 cents.

Abie Junk Yards in Stamford wants 1,000 tons of scrap iron, will also take rags, bones, and metal.

Mr. and Mrs. Travis Conner went to Muleshoe to attend the funeral of her brother-in-law.

Mr. and Mrs. Edmundo Garcia of Rotan are parents of a son, Florencio, born July 19 at 11:08 a. m. He weighed 6 lbs. 8 oz.

THE STATE OF TEXAS
COUNTY OF JONES
TO THE LEGALLY QUALIFIED VOTERS OF HAMLIN INDEPENDENT COUNTY LINE SCHOOL DISTRICT:

Take notice that an election will be held within the said Hamlin Independent County Line School District on the 7th day of August, A. D. 1965, at the places and at the proposition more fully set forth in the order of the County Judge of Jones County, Texas, substantially as follows, to-wit:

"On the 30th day of June, A. D. 1965, there was presented to me a petition by Holly Toler and fifty-one (51) other legal qualified voters of Hamlin Independent County Line School District, which petition prayed for a consolidation of districts hereinafter mentioned and the issuance of an order for an election for that purpose."

I find that the petition was signed by fifty-two (52) legally qualified voters of Hamlin Independent County Line School District.

I further find that Hamlin Independent County Line School District is situated partially within Jones County, partially in Fisher County, and partially in Stonewall County, that the principal portion of this district is located in Jones County and that Jones County has jurisdiction over the principal schools of Hamlin Independent County Line School District.

I further find that this petition is in compliance with Article 2806 of the Revised Civil Statutes of Texas, and with the law, and should be granted herein.

I have been advised that a petition for election on the same proposition has been presented to the County Judge of Fisher County on behalf of McCaulley Independent County Line School District, and that the judge is issuing an order for such election to be held on the 7th day of August, A. D. 1965.

IT IS THEREFORE ORDERED

I.

That an election shall be held in Hamlin Independent County Line School District on the 7th day of August, A. D. 1965, at which there shall be submitted to the legally qualified voters of such district the following proposition: "Shall the Hamlin Independent County Line School in Jones, Fisher and Stonewall Counties, Texas, and the McCaulley Independent County Line School District in Fisher and Jones Counties, Texas, be consolidated for school purposes and be known as Hamlin Independent County Line School District?"

II.

The place for holding the election for Hamlin Independent County Line School District shall be the high school, the following officers are hereby appointed to hold the election in the Hamlin Independent County Line School District: Frances Rowland, presiding judge; Gertrude League, Assistant judge; and Frankie Cassle, Clerk.

III.

All legally qualified voters of such district may vote in said district.

The form of the ballots for said election shall be as follows:

"OFFICIAL BALLOT"
FOR CONSOLIDATION OF HAMLIN INDEPENDENT COUNTY LINE SCHOOL DISTRICT IN JONES, FISHER AND STONEWALL COUNTIES, TEXAS, AND THE McCAULLEY INDEPENDENT COUNTY LINE SCHOOL DISTRICT IN FISHER AND JONES COUNTIES, TEXAS.

AGAINST CONSOLIDATION OF HAMLIN INDEPENDENT COUNTY LINE SCHOOL DISTRICT IN JONES, FISHER AND STONEWALL COUNTIES, TEXAS, AND THE McCAULLEY INDEPENDENT COUNTY LINE SCHOOL DISTRICT IN FISHER AND JONES COUNTIES, TEXAS.

Each voter shall draw a line through one of the above expressions, thus leaving the other to indicate his vote.

IV.

Notice of said election shall be given by advertising this notice in the Hamlin Herald, a newspaper in Hamlin, Jones County, Texas, for a period of twenty (20) days prior to the said election and by posting a copy of this notice in three (3) public places in this district.

ISSUED this 5th day of July, A. D. 1965.

Rebekah Class Meets in Duncan Home July 13

Members of the Rebekah Sunday School Class of the First Baptist Church met in the home of the teacher, Mrs. Edgar Duncan, July 13 for a class meeting.

The program was presented by Mrs. Byron Bryant who gave a word picture of the trip she and her husband, Rev. Bryant, took recently to the Baptist World Congress in Miami Beach, Fla. She expressed her appreciation to the people of the First Baptist Church for making the trip possible.

Mrs. LaFoy Patterson gave the opening prayer. The meeting was dismissed with prayer by Mrs. Albert Haught.

A sandwich plate was served by the hostess. Others present were Mmes. D. A. Brown, N. L. Brandon, Fred Allen and L. E. Hines.

Method of Freezing Potatoes Given By County Agent

It is the time of the year when homemakers are interested in freezing Irish potatoes says Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent. The USDA has not released the information but the Food Specialist of College Station feel it is satisfactory by following this procedure:

Preparation of New Potatoes For Freezing

Select potatoes the size of walnuts. Scrub well in cold water to remove skins, or wash and scrape. Pre-heat in boiling water: 5-8 minutes, depending on size. Cool in cold running water 5-8 minutes. Pack dry without water.

Preparation Of French Fried Potatoes For Freezing

Use mature potatoes suitable for french frying. Wash, peel and cut into sticks, 1-4 inch square. Pre-heat sticks in boiling water for 2 minutes. Cool in cold running water 3 minutes. Pack dry, without water.

became a dealer.

Mr. and Mrs. Pluto have three grandchildren and four great-grandchildren.

NEW FRONTIERS

We are preparing a completely new way of life for our children. Every day we hear talk of rockets and missiles. This is truly the space age. However, history has taught us that man's need for God is ever present, and new frontiers have never changed this.

TAKE YOUR FAMILY TO CHURCH

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Former Residents, J. G. Plutos, Honored on Wedding Anniversary

Mr. and Mrs. J. G. Pluto, residents of Hamlin from 1907 to 1927, were honored on their 65th wedding anniversary June 16 in San Antonio. The couple's two children, Mrs. Leon Howell and Mrs. D. Clinton Walker, both of San Antonio, assisted in the celebration.

The open house was held at the couple's home at 427 Steves Ave.

In a column, "Around the Plaza" by Renwick Cary of the San Antonio Light, the writer points out many interesting items about Mr. and Mrs. Pluto.

Mr. Pluto was 87 years old last March and Mrs. Pluto will be 87 in August. They will not hear to the thought of having anyone help with the housework or yard.

Mrs. Pluto enjoys cooking and takes great pride in keeping a sparkling house and Mr. Pluto takes pride in keeping a neat yard.

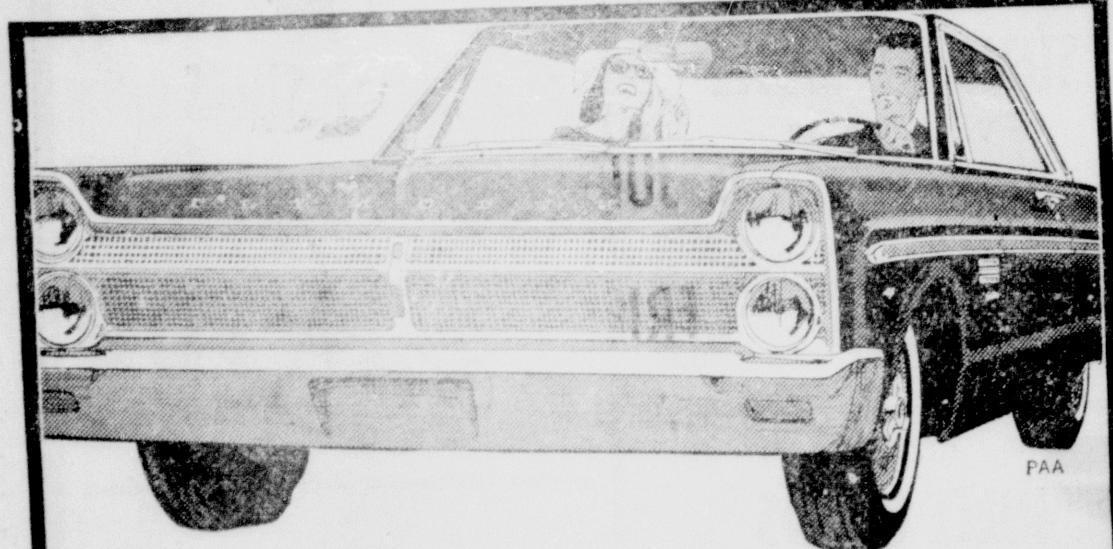

The couple met when both were 17 in Marlin, Falls County. She was the former Minnie Fairry. They were married five years later in Marlin's Catholic Church.

They moved to Hamlin in 1907 and he opened a variety store. Later he became the operator of what probably was one of the first chains of movie houses in Texas. He had three movies, one in Hamlin, and the other in the general area.

Pluto owned one of the town's first Fords and, having gotten his early introduction to the horseless carriage, he saw the auto's future and

FAIRVIEW NEWS

by Mrs. Elmer Joiner
A two inch rain fell in a small area last Thursday afternoon, only reaching a few miles each way. From here it looked as if the whole country was getting a general rain, it just came in sheets, but getting out afterwards to see how much it rained, we found that at the Plainview store it only came a light sprinkle. It seems that it only lasted a few miles each way, so the men were speculating Sunday if it had rained on the just or merely on the unjust.

The Revival begins today, Monday, at the Fairview church, with Rev. Bill Irwin, pastor of Central Avenue Church in Hamlin, and the singing led by Ronnie Lee, also of that church.

Prayer services were held last Friday night, for the success of the revival, with Rev. Irwin and Ronnie present. A fair crowd was in attendance.

The regular Wednesday night services were also held, so we almost had weekly services last week. We do hope that our friends will all come and meet with us in revival services through this coming Sunday.

The church was privileged to go to the Holiday Lodge Sunday afternoon, for the Sunday afternoon services. Those that do not attend miss some thing for the residents at that place are so appreciative, and it makes you feel as if your time was spent for a good purpose.

We see by the Abilene paper that Wayne Whitaker, son of Mr. and Mrs. David (Sport) Whitaker, now of Snyder, but formerly of Seagraves, where they moved from our community, was married Saturday, July 10th, in Stamford Orient Church of Christ to Katrina Joy Sosebee, of Stamford. They will live in Houston, where he is employed.

Tuesday night visitors of Mr. and Mrs. Woodrow Goodwin and Linda, were Mr. and Mrs. Weston Goodwin, their daughter, Mr. and Mrs. West Upshaw and two daughters, all of Los Angeles, California. The Goodwin men are brothers. Tuesday afternoon late, another brother, Mr. and Mrs. Floyd Goodwin, who live southeast of Anson, also visited with them.

It was good to see the Drake family able to be in church Sunday night. It was the first time they have been out since they had so much illness, last spring.

Mrs. Woodrow Goodwin and Mrs. Elmer Joiner went to

Anson, last Friday afternoon, where they visited with Mrs. Dutton in the Anson Hospital, then with their Aunt Lottie Treadwell. Our uncle Tee passed away two weeks ago and she is living in the family home in Anson, accepting it all as "Aunt Lottie" can. Mrs. Dutton was very despondent, when we saw her, and that didn't sound like Mrs. Dutton, but she was in much pain from her back, and pain can make you that way, especially when you have lived a long, full life like she has. All of us at Fairview still love her, she has been an inspiration to so many of us for years.

Saturday night and Sunday visitors of the Flavil Holmes were her sister, Mr. and Mrs. R. O. Clements, from Pampa. Sunday afternoon visitors were Mr. and Mrs. Larry Holmes, Anson.

The latest report on Mr. Holmes's mother is that she is doing as well as can be expected. She did not have a bad stroke, but owing to her age, it was serious.

Mr. and Mrs. Marvin Johnson, Amarillo, came down over the weekend to bring the little sons, Bruce and Barry, to spend two weeks with their grandparents, the Winslow Grays and M. S. Johnson. The little boys were in church with the Grays Sunday night.

Mrs. Mary E. Tanner and Larry, spent Saturday with the Leveretts, in fact it seemed to be the girls they had come to see, for grandmother had been gone a week, to Glorietta, and that is a long ways from Kimmy and Kristy.

Mrs. Henry went over to Aspermont, Wednesday afternoon, to see her sister, Mrs. Lois Stuart.

Linda Goodwin attended the First Methodist Church, Sunday morning, where she played for her friend Jeannie Young, to sing a special.

Linda had that coveted birthday, Saturday, that all girls look forward to, which was her sixteenth.

WHICH CORN HAD THE KILOWATTS?

No... the small stalk was not electrocuted. The big stalk was irrigated with water pumped with power from the Midwest Electric Cooperative. Whether it is for washing dishes, watering stock, filling the bathtub or irrigating corn, running water is one the great blessings of rural electricity. By bringing city conveniences to the rural scene... by offering a dependable, economical electric service... the Midwest Electric Cooperative both in industry and agriculture is helping Texas grow.

Nosey Neighbor...

by Barbara Craig

We are grateful to a friend of Mr. and Mrs. J. G. Pluto in San Antonio for the information she sent to us concerning their couple's 65th wedding anniversary celebrated in June.

Mr. and Mrs. Pluto, former Hamlin residents, who both have 87th birthdays this year, are quite active as the story in this issue indicates.

They have been subscribers to the Hamlin Herald for many years, the friend's letter shows. Could it be that they might have a longer record of being a continuous subscriber than Bob Barrow? Mr. Barrow says he has been on the subscriber's list for 42

years. We will take his word for it as our records do not go back that far and we know his word is good. Could anyone else beat this record? We would like to know.

After two weeks of preparation, making items necessary for several days of camping, we are ready to leave, we hope, this afternoon (Tuesday) for Brownwood State Park.

With the cooperation of advertisers, correspondents and others, we were able to print a little early this week and close for vacation. We appreciate the considerations shown by everyone.

The Herald office will be open Monday, July 26.

INTERGRATION PLAN FOR THE HAMLIN INDEPENDENT SCHOOL DISTRICT FOR 1965-66

PUBLIC NOTICE

The Board of Education of the Hamlin Independent School District adopted the following policies:

"By unanimous vote, the Board of Education of the Hamlin Independent School District voted to integrate all high school grades (9-12), being served by only one high school for the 1965-66 school year; also, to maintain the elementary schools as now exists (1-8) on a freedom of choice plan. This means that any child in the Hamlin Independent School District in grades one through eight may attend any school in the Hamlin school district of his choice."

Due to the above policy, a letter with a registration form grades 1-8, will be mailed you for each of your children, and we are requesting you to fill out indicating your choice of school. Also, enclosed is a self addressed envelope to the superintendent of schools, to be used for returning your forms. This form must be returned by August 15, 1965. The high school students have already registered for the 1965-66 school year.

After we receive the registration forms of choice of schools by the students, there will be registration for the 6, 7, and 8th grades on August

25, 26, and 27, 1965 at the school they choose to attend, beginning at 9:00 a. m. each day.

This choice is granted to you for your child.

Any pupil who does not make a choice of the school he desires to attend, will be enrolled in the school nearest his residence where space is available, without regard to race, color or national origin.

No teacher, principal or other official is permitted to advise you or make any recommendations or otherwise influence your decision. No child will be favored or penalized because of the choice made.

Pupil placement, in case of over-crowded results, at any school from the choice made, preference will be given those pupils choosing the school who lives closest to school, without regard to race, color, or national origin or prior attendance at the school.

There will be no discrimination based on race, color, or national origin in any school connected services, facilities, activities or programs. Our transportation for the 1965-66 school year will be integrated.

The integrated plan described above is only for one year 1965-66. New plans must be submitted each year, hence,

Bill Harbert, President of School Board Hamlin Independent School.

MRS. WARREN REYNOLDS
... formerly Diantha Tankersley

Tankersley, Reynolds Married

Diantha Gwyn Tankersley and Carrol Warren Reynolds were married Friday evening in the Rotan Church of the Nazarene.

The double ring service was read by the Rev. William A. Morris, with Mrs. Morris as pianist and soloist.

Parents of the couple are Mr. and Mrs. Cecil Tankersley and Mr. and Mrs. Raleigh Reynolds of Hamlin.

Ushers were Rodney Tankersley, brother of the bride, and Stanley Smith of Hamlin.

Given in marriage by her father, the bride wore a peau de soie gown with alencon lace at portrait neckline and covering bodice. The chapel train fell from a flat bow at the back of the bell skirt.

Her veil of illusion was caught to a crown of seed pearls. She carried white orchids and pink roses on a Bible.

Vickie Tankersley, sister of the bride, was maid-of-honor. Bridesmaids were Connie White and Brenda McKennon of San Angelo.

Attendants' bell-skirted gowns were of pink brocade, their headresses flat bows of matching fabric. They carried white carnations.

Best man was Steve Reynolds of Hamlin, brother of the bridegroom. Another brother, Larry Reynolds of McCamey, and Raley Smith of Lubbock were groomsmen. Reception was at the home of the bride's parents.

The couple will live near

New Flower for '65

Ask Mary, Mary, quite contrary, how her garden grows today, and she's likely to answer, "With Camelot and Connecticut Yankee, Yellow Zenith and Mister Lincoln."

These were some of the All-America flower selections for 1965, according to the 1965 World Book Year Book, which also notes the introduction last year of a new variety of chrysanthemum called Red Chief and a new petunia named Starfire.

Camelot and Mister Lincoln marked a special milestone - the 25th anniversary of the All-America rose selections (Yellow Zenith is a zinnia, while Connecticut Yankee is a delphinium).

Rusted Bait Jar Lids

Those briny preservatives in pork rind jars have a tendency to rust the jar tops so badly that efforts to unscrew the lids often are unsuccessful.

When faced with such a job, especially when the hands are wet, wrap your rubber boot strap around the lid for a good, firm grip... then twitch. The lid will loosen.

Distemper is commonly considered a form of influenza.

Help on Keeping Egg Shells Thick Offered by Agent

Hot weather always brings many problems for the egg producer. A condition that often causes eggmen concern is thin or weak egg shells, advises County Agent, Kirby Clayton.

Shell texture becomes weaker as the hen's laying year progresses. Thus, as the flock ages it will produce a larger and larger percent of poor quality shells, he explains.

Also, the amount of calcium that the bird takes into her body has a definite bearing on the quality of shell she produces. Since the warm weather reduces the amount of

feed taken by the birds, the calcium content of the ration should be increased.

April through September the laying ration should contain 3.00 to 3.25 percent calcium. All calcium should be given to birds in the laying feed. Layers which are given free choices calcium supplements, such as oyster shell and ground limestone, will often over-eat on this supplemental calcium, thereby reducing their intake of essential nutrients and egg production.

Andy McComack left for basic training at Fort Polk, La. last week. He is the son of Mr. and Mrs. A. T. McComack.

programs

As a tool for economic development, the industrial foundation is a community-wide financial organization with the principal objective of creating additional payrolls.

Today, it is considered essential for the community that is working to increase and broaden its economic base through diversified industrial growth to have an active industrial foundation. Varying widely from community to community, its basic functions are -

- Development of industrial sites
- Construction of plants for lease or sale
- Cooperating with other financial institutions
- Furnishing management counseling
- Assisting personnel training

As a PATTERN FOR PROGRESS, the industrial foundation works with existing industries as well as prospective new industries.

WTU's area development representatives have information about the establishment of industrial foundations. These facts are available to growth-conscious communities on request through your local WTU manager.
